ORDER

VERGILIO, Board Judge.

Under a cover letter dated August 27, 2008, PT Wijaya Karya filed notices of appeal regarding four claims denied by a contracting officer. The disputes arose under its contract, 497-C-00-05-00044-00, with the Agency for International Development for road rehabilitation and reconstruction in Indonesia. As specified in the notices of appeal, the contractor seeks relief totaling \$11,999,011. With formal proceedings stayed, the parties utilized Board Judge Borwick as a neutral mediator in non-binding alternative dispute resolution (ADR) mediation. The parties entered into a settlement agreement in November. On November 17, 2008, the Board received a request for a dismissal with prejudice of each case. The appeals are **DISMISSED WITH PREJUDICE**.
